This diagram illustrates the assembly of three components, labeled 1, 2, and 3, which form a rectangular frame. Component 1 is a long, thin rectangular plate. Component 2 is a shorter rectangular plate. Component 3 is a rectangular plate that completes the frame. The assembly is guided by alignment pins: D82 (longer pins) and D43 (shorter pins). Dashed lines indicate the alignment paths for these pins. Component 1 is shown with three D82 pins and one D43 pin. Component 2 has two D82 pins and one D43 pin. Component 3 has two D82 pins and one D43 pin. The pins are used to align the components relative to each other and to a central reference point.
